## Junior and Senior Infant News:

Houses and homes was our theme for this month. We talked about different rooms in the house and different types of home e.g. bungalows, mobile homes, apartments. We made playdough floors for the garden made up little stories of family activities in the home.

We made felt faces.

Thank you, Mrs Keogan

We thickened water with cornflour and thinned it with water. When it dried we felt its smoothness and dryness...so dry it cracked under our fingers like brittle wafers.

We made shape pictures with tangrams

### First and Second Class News:

We all came back from our Christmas holidays on the 6<sup>th</sup> January. We started doing our timed tables test. Everyone is improving really well. We used devices. We started Seesaw, Kahoot, Khan Academy and continued with typing.com. We are doing a walk around the yard for 10 mins most days for January Transformation and a whole school walk around the pitch on a Friday. We are really enjoying it!

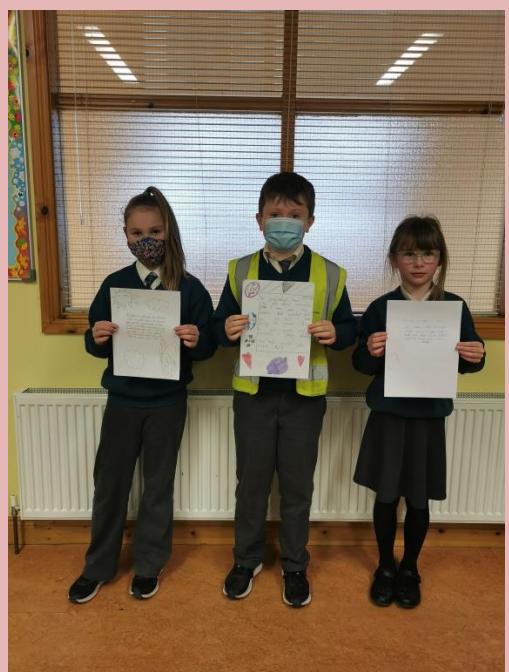

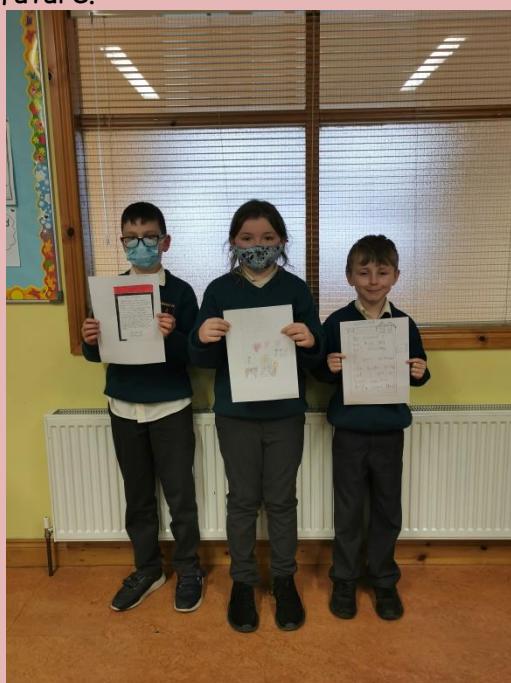

We made some amazing perspective drawings and also learned about Romero Britto. We did our anti-bullying posters and displayed them in the classroom and in the hall. We got our First Confession date (Wed 9<sup>th</sup> March at 11.30a.m. in Crosskeys Church) and Our First Communion date (Sat 2<sup>nd</sup> April at 11am in Crosskeys Church) also. We're very excited! We started to learn the Confiteor. We continued our maths and reading groups with Mr. Gurhy. We really enjoy them.

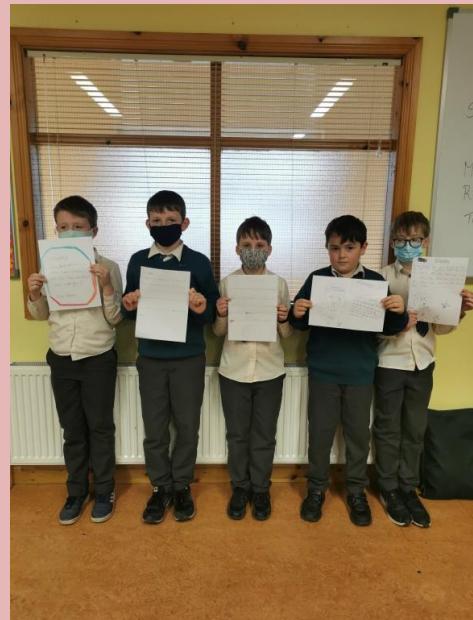

*Thank you, Mrs Armstrong*

### 3rd and 4th Class News:

3<sup>rd</sup> and 4<sup>th</sup> class were delighted to return to school after the Christmas break and we have had a busy month. We celebrated Catholic Schools Week and enjoyed a lot of activities including writing a letter to one of our grandparents and having some great discussions around how we can show love to one another. In conjunction with Operation Transformation, we have been getting 10-15 mins extra daily exercise, usually consisting of walking/running around the yard. On Fridays, children from the whole school walk up to the new pitch after lunch and we complete a few laps on the track. This is very enjoyable. In class we have taken part in some nice Music lessons and in history we learned about Ancient Greece by carrying out our own research on the laptops in small groups. We are all a little disappointed that Denn lost the All-Ireland Semi-final on Saturday, but we are also very proud of their achievements and we wish them all the best in the future.

Thank you, Mrs O'Reilly

#### Catholic Schools Week:

Last week was Catholic Schools Week. In our school we looked at the themes of developing our talents and using them to make the world a better and kinder place; being kind to

ourselves and others; recognising the contributions our Grandparents make in our lives; appreciating and protecting our beautiful world; and the importance of living life to the full especially after our experience of living through a pandemic. Thanks to teachers for organising.

# Parents Association

## A message from the Parents' Association

We hope everyone had a very enjoyable Christmas and that the New Year has been good to you so far. The Parents' Association Committee have been continuing to meet ourselves via zoom, although we do hope to hold a meeting in person in the school in February.

We would like to express our sincere thanks to Michael Bernard Hyland who made a donation of €200.00 to the Parents' Association earlier this month. As dates for Communion and Confirmation have now been set I am sure there are a lot of excited children who are looking forward to planning their big day, the Parents' Association will be on hand to assist in any way we can. We are in the process of planning some exciting fundraisers for the coming months and we promise they will be fun for all the family. Thank you to the school and parents for your continued support

Kind regards,  
Sharon Ivers
